

Printable-margin test sheet

Print the matching paper edition at actual size (100%). Disable fit-to-page, borderless enlargement and automatic scaling.

From the outside inward, the six borders are 3, 5, 7, 10, 15 and 20 mm from every paper edge. Note the first complete border on each side.

Top - first complete border:

Bottom - first complete border:

Left - first complete border:

Right - first complete border:

Measure the printed reference with a known ruler before interpreting the margins. This is a printer diagnostic, not a certified measuring instrument or proof of borderless printing.
