Project pack / Component files and their use order

A USEFUL SET, IN ONE PLACE

This packet gathers the resources listed below. Use the individual pages as needed; included planning sheets do not replace specialist instructions.

01	Guest room welcome tags 1 page	2
02	Guest visit planning sheet 1 page	3
03	Large-write guest supply labels 2 pages	4

PRINT AND USE

Select the same paper size throughout the packet. Use actual-size printing for cutouts or grids. Check each resource's own reference marker where supplied: lengths can differ.

For cutting or assembly, make one trial first. Keep instructions and answer pages with their matching resource. These components are reused intentionally; the pack is a convenience collection.
