

Garden seed-starting kit

Project pack / Component files and their use order

A USEFUL SET, IN ONE PLACE

This packet gathers the resources listed below. Use the individual pages as needed; included planning sheets do not replace specialist instructions.

01	Seed starting experiment log	2
	1 page	
02	Vegetable seedling stake labels	3
	1 page	
03	Seed germination observation log	4
	1 page	

PRINT AND USE

Select the same paper size throughout the packet. Use actual-size printing for cutouts or grids. Check each resource's own reference marker where supplied: lengths can differ.

For cutting or assembly, make one trial first. Keep instructions and answer pages with their matching resource. These components are reused intentionally; the pack is a convenience collection.

Seed starting experiment log

Add your plans, notes and next steps. Keep quantities and measurements with their units.
